

## Permission to use your email to send Sorrento Primary School P & C communication and information

The P & C would like your permission to use the email address that you use to receive the School Newsletter to send you P & C information about school and student related communications.

This email address will be used by the P & C Communications Coordinator. This is a voluntary role filled by a P & C committee member.

You will receive the one message per family from this person or any message that is specific to your class/year. You can also contact this person with any ideas or feedback you would like to share with the P & C.

Your email address will not be shared with any other organisation or business, or used for non-related P & C business.

Please indicate your permission by circling:                      YES                      NO

**Circling 'YES' also allows the school to advise the P & C of any updated email you provide them with in the future.**
