DEAR PARENTS & FRIENDS

In 2020, we will celebrate the **50th anniversary of our wonderful school**. The **Sorrento Primary School P&C Association** will continue to do our absolute best to support this vibrant school community through our many fundraising events and activities. However, the P&C Executive, in consultation with the school, recognises the need to seek and develop **other sources of financial funding**. The P&C set up a **School Building Fund (SBF)** for the purpose of assisting with ongoing improvements to school facilities. The fund is managed by a School Building Fund Management Committee, which is composed of the principal and 3 other members of the school community. Funds are used to meet costs associated with **new capital spending initiatives and some maintenance**. The aim is to generate a source of funds to be used to revitalise our school and ensure classrooms and other school facilities remain fresh, up-to-date and capable of supporting the best environment for learning. **All donations are voluntary** – and no donation is too big or too small. All donations above \$2 are **tax deductible**.

The **new audio-visual equipment in the school's undercover area** was installed in 2019 using donations to the School Building Fund. It has been put to excellent use for school assemblies, performances, presentations and the Halloween Disco.

THANK YOU to those families who contributed!
